

# Cornwall and Isles of Scilly Shoreline Management Plan Review (SMP2)

## Stakeholder Engagement Comments Form

Name	Organisation (if applicable)	Contact Details	Date

Extent of Cornwall and the Isles of Scilly SMP

Topic	Question	Comments (please reference specific locations if known)
<b>Flood risk</b>	Do you know of any coastal flood risk areas and any recent instances of flooding from waves or tides?	
<b>Erosion risk</b>	Are there any known areas of cliff recession, instability or lowering of beach foreshore zones?	
<b>Land ownership</b>	Do you own any land at the coast that could be affected by the plan?	
<b>Sites with special concerns / issues</b>	Are there any areas that may be particular areas which you feel are sensitive to shoreline planning/management.	
<b>Organisational objectives (if applicable)</b>	What objectives does your organisation have for management of any specific areas or features within the SMP area?
